Liberty Fabric presents "Adventures in the Sky", a collection of 8 prints inspired by a fun filled exploration of the night sky. Lit up with conversational print designs including stars, rockets, planets and the Liberty hot air balloon. Rockets, spaceships and astronauts experience the glittering skies of the cosmos and beyond, the journey is ready to begin!

The colour palette includes cornflower blues, icy greys and hints of pale yellow. Deep cobalts contrast with neutral tones of sage green and soft white.

Our popular "Lasenby" quality is 100% cotton, specifically woven with sewing in mind.
