## QUILT ASSEMBLY

Refer to the quilt photo and layout diagram for the placement of prints. Press seam allowances as indicated in the diagrams unless otherwise stated.

### Blocks (Make 13)

Select 16 A squares, varying the prints, and lay out in 4 rows of 4 squares. Sew the squares into the rows. Sew the rows together to complete 1 Block (11 1/2" x 11 1/2").

Repeat to make 13 Blocks.

### Quilt Center

Refer to the quilt layout diagram for block placement. Sew the Blocks and B and C triangles together in diagonal rows. Sew the rows together to make the Quilt Center. Triangles B and C were intentionally cut a little larger. Square the center by trimming the excess leaving 1/4" seam allowance from the blocks on all sides to approximately (47 1/8" x 47 1/8").
